

ACORNS

NEWSLETTER

SPRING
2025

What have we been doing?

Arts and crafts

Acorns have been busy making lots of different things. Most of all we love to bake!

We have followed many different recipes and enjoyed trying what we have made after!

Forestry

The students enjoyed activities that allowed them to use natural found materials to make craft activities with. We have made paintbrushes, collages and fairy gardens.

Holiday Camp

The holiday camp was a blast! The children took part in a huge range of different activities including sports, crafts, wide games, cooking, baking and even a trip bowling in Kingston!

Bookings are now open for Easter don't miss out!

Register here:
